Crime Data

Due to small populations, LGAs have been merged to create this region. Fitzroy and Mount Morgan LGAs had higher rates of offences against the person and other offences than the State as a whole, while the rate of property offences was significantly lower than the Queensland rate.

The rate of offences against the person in Fitzroy and Mount Morgan LGAs has increased significantly since 2000-01.

These data have been sourced from Queensland Police. All analyses have been undertaken by OESR and any queries should be directed to the Crime Statistics Unit, OESR, on (07) 3237 1954.
