Transport, Postal and Warehousing	1.2	1.1
Public Administration and Safety	-6.4	-2.1
Other Services	3.4	-5.5
Other (b)	-0.2	-1.5
Total	-0.3	-0.3

Commentary

- In the September quarter 2009, there were 2,214,045 employed persons in Queensland, which accounted for 20.7% of Australia's total employment.
- Over the year to September 2009 of Queensland's top ten industries by number employed, the fastest rate of employment growth in Queensland occurred in *Health Care and Social Assistance* industry (up by 24.8%). This was also the industry with the fastest rate of employment growth in Australia (up 10.5%).
- Over the quarter to September 2009, the *Transport, Postal and Warehousing* industry recorded the largest percentage increase of those industries with the greatest workforces (up 7.2%). During the same period, Australia recorded the largest percentage increase in the *Accommodation and Food Services* industry (up 2.5%) (Figure 1).
- During the September quarter 2009, the highest proportion of total employment in Queensland was recorded in the *Retail Trade* industry (11.4% or 253,253 persons). In comparison, the highest proportion of total employment in Australia occurred in the *Health Care and Social Assistance* industry (11.3%) (Figure 2).
- During the September quarter 2009 of Queensland's top ten industries by number employed, the highest proportion of unemployed persons was for persons previously employed in the *Construction* and *Retail Trade* industries (both at 9.6%). In comparison for Australia, *Retail Trade* industry had the highest proportion of unemployed persons (8.7%) (Figure 3).

The labour force statistics presented in this brief are based on a sample and will include a sampling error. As such these estimates will exhibit, in some cases, large volatility in quarterly changes. Extreme caution should be used when making inferences from these estimates.

Industry of employment was coded to the ABS 2006 Australian and New Zealand Standard Industrial Classification (ANZSIC). This has replaced the 1993 ANZSIC edition.
