Toowoomba study area
Development time frame

Legend

Time frame¹  | Land supply area²
---|---
0-5 years | 547 ha
5-15 years | 867 ha
15 years and over | 70 ha

¹ Development time frames for industrial land supply are indicative only.
² Total area for the industrial land supply by time frame. Industrial land supply refers to land parcels that are planned for industrial use or development.
³ Strategic land refers to areas such as airports, ports and defence sites that may contain land for industrial use.

Notes:
This map shows the industrial land supply by indicative development time frames. This map does not commit the relevant council or statutory authority to permit development within the time frames specified.

This map is an output of the Industrial Land Monitoring Program for SEQ and is to be interpreted in conjunction with that Program. Information about the Program’s methodology can be viewed in the industrial development activity profiles and explanation notes.
