1. Industrial land supply refers to land parcels that are planned for industrial use or development.
2. Industry investigation areas for Ipswich City are included in the total area but not located on map.
3. Strategic land refers to areas such as airports, ports and defence sites that may contain land for industrial use.
4. Development areas, enterprise opportunity areas and identified growth areas may identify areas suitable for industrial use.

Legend
Industry zone category | Land supply
--- | ---
Low impact industry | 1,793 ha
Medium impact industry | 2,562 ha
High impact industry | 556 ha
Noxious and hazardous industry | 58 ha
Waterfront marina industry | 147 ha
High technology industry | 52 ha
Industry equivalent | 1,979 ha
Non-industry zones | 1,014 ha
Potential industrial land supply | 5,012 ha

Other map features:
- Major roads
- Local government boundaries
- Toowoomba study area
- Strategic land
