Main findings

Note: All data in this brief are based on 4-quarter moving averages of direct survey estimates.

- In the May reference month of June quarter 2025, there were 2,981,223 employed persons in Queensland, which accounted for 20.5% of Australia's total employment.
- Over the year to June quarter 2025, of Queensland's top ten industries by number employed, the largest percentage increase in employment occurred in the 'Health care and social assistance' industry (8.3%). For Australia, within these ten industries, the 'Education and training' industry had the largest percentage increase (5.5%).
- Over the year to June quarter 2025, of Queensland's top ten industries by number employed, the 'Health care and social assistance' industry recorded the largest contribution to employment changes in Queensland (1.3 percentage points). In comparison, the 'Manufacturing' industry recorded the largest detraction in Queensland (0.2 of a percentage point) (Figure 1).
- During June quarter 2025, the highest percentage of total employment in Queensland was recorded in the 'Health care and social assistance' industry (16.5%). The highest percentage of total employment in Australia was also in 'Health care and social assistance' (15.9%) (Figure 2).
