- (b) As of August 2023, cotton become unconfidentialised and is not included in 'Commodities nec'.
- (c) As of October 2021, semi-soft coking metallurgical coal and PCI coal became unconfidentialised and is not included in 'Commodities nec'.
- (d) From June 2013, the ABS changed the treatment of certain commodities to maintain confidentiality. This resulted in some commodities (such as sugar) not being included in state level exports. As a consequence total exports at a state level are understated.
- (e) Includes confidentialised export commodities such as LNG and alumina. Semi-soft coking metallurgical coal and PCI coal are included to September 2021 and cotton is included to July 2023.
